I just got the pkg. back and there were a few minor changes. Here is an e-copy of the latest version of the letter. I printed out the latest version and put it in the SO pkg. I'll drop off the pkg. today. Thx.

Ken:

My management has made some changes which I have incorporated into a new version of the document (attached). The document is with Ignacio now. Thanks.

John,

I left the sign-off package on your chair. Attached is the electronic copy. I'll be back in the office on Monday.
